A Comic folktale by John Patrick Shanley

Why would a man attempt to win back the woman who shot his dog? Hugh Maximillian Bonfigliano could tell you why - and in so doing, you might just learn something wise and wonderful!

From the Oscar-, Pulitzer- and Tony-winning writer of "Doubt" and "Moonstruck," this heartwarming and comical play shows the lengths to which a man will go to prove his capacity to love and to be loved.

Tickets are \$25, which includes the dessert reception.
