- * Program planning is at the heart of the League of Women Voters – it's what makes us a dynamic, grassroots organization.*
- * We'll look at state and local positions to make sure they are up-to-date and relevant, and then plan our priorities for the upcoming year.*
- * This is your opportunity to have a direct say in the work and direction of LWVAA and LWVOhio—your opinions and ideas are needed!*

Coffee, tea, and light refreshments will be served – join us!
